RESOLUTION

A RESOLUTION authorizing the Monroe County Community School Corporation to make temporary loans to meet current running expenses for the use of the General Fund and the Transportation Fund of the Issuer, in anticipation of and not in excess of current taxes levied in the year 2007, and collectable in the year 2008 (including property tax replacement revenues) and/or in anticipation of the receipt of current state tuition support revenue for the General Fund estimated to be received on or before December 31, 2008 (but after the last day of June 2008); authorizing the issuance of taxable temporary loan tax and/or revenue anticipation warrants to evidence such loans and the sale of such warrants to the Indiana Bond Bank; and appropriating and pledging the taxes and state tuition support revenue to be received in such funds to the punctual payment of such warrants including the interest thereon.

WHEREAS, the Board of School Trustees (the "Fiscal Body") of the Monroe County Community School Corporation (the "Issuer") has determined that there will be an insufficient amount of money in the General Fund and the Transportation Fund of the Issuer (the "Funds") to meet the current running expenses of the Issuer payable from such Funds during the fiscal year ending on the last day of December 2008, and prior to the respective June 2008 (that is, the first) and December 2008 (that is, the second and final) settlements and distribution of taxes levied for such Funds (including property tax replacement revenues) and/or state tuition support revenue estimated for such Funds; and

WHEREAS, the Fiscal Body now finds that an emergency exists for the borrowing of money to pay current running expenses and that temporary loans for the Funds for such purposes should be made and that taxable temporary loan tax and/or revenue anticipation warrants evidencing such loans should be issued and sold, subject to the terms and conditions set forth herein and in accordance with the provisions of Indiana law; and

WHEREAS, the Fiscal Body has determined to participate in a mid-year warrant assistance program (the "Program") established by the Indiana Bond Bank (the "Bond Bank") for 2008 whereby the Bond Bank will purchase the taxable temporary loan tax and/or revenue anticipation warrants and/or temporary interim warrants of the Issuer; and

WHEREAS, the levy (including property tax replacement revenues) and state tuition support revenue proposed for collection for the Funds in 2008 is estimated to produce in the aggregate, with respect to such Funds, an amount equal to or in excess of the principal of and interest on the temporary loans for such Funds; and

WHEREAS, a necessity exists for the making of temporary loans evidenced by taxable temporary loan tax anticipation warrants for the Funds in anticipation of the receipt of current revenues for such Funds levied for the year 2007 and in the course of collection in 2008 (including property tax replacement revenues) and by taxable temporary loan revenue anticipation warrants for the General Fund in anticipation of the receipt of current state tuition support revenue estimated to be received on or before December 31, 2008 (but after the last day
of June 2008), and the Fiscal Body desires to authorize the making of temporary loans to procure
the amounts necessary, in combination with other available amounts, to meet such current
running expenses for such Funds and to pay necessary costs incurred in connection with the
issuance and sale of taxable temporary loan tax anticipation warrants to evidence such temporary
loans; and

WHEREAS, unless otherwise disclosed in writing to the Bond Bank, the Issuer has not
previously issued taxable temporary loan tax and/or revenue anticipation warrants payable from
2008 tax and/or state tuition support revenue with respect to the Funds; and

WHEREAS, the Fiscal Body seeks to authorize the issuance of such taxable temporary
loan tax and/or revenue anticipation warrants and/or temporary interim warrants with respect to
the Funds and the sale of such warrants to the Bond Bank pursuant to the provisions of Indiana
Code 5-1.5, subject to and dependent upon the terms and conditions hereinafter set forth.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SCHOOL TRUSTEES
OF THE MONROE COUNTY COMMUNITY SCHOOL CORPORATION AS FOLLOWS:

Section 1. It is hereby found and declared that an emergency exists for the borrowing of
money and therefore the Issuer is hereby authorized to make temporary loans to meet current
running expenses for the use and benefit of each of the Funds of the Issuer in anticipation of
estimated current tax revenues levied for the year 2007 and in the course of collection for such
Funds in 2008 (including property tax replacement revenues), and/or in anticipation of the
receipt of current state tuition support revenue for the General Fund estimated to be received on
or before December 31, 2008 (but after the last day of June 2008), which loans shall be
evidenced by taxable temporary loan tax and/or revenue anticipation warrants of the Issuer (the
"Warrants") issued pursuant to the provisions of Indiana Code 20-48-1-9 as in effect on the date
of their respective issuance. A separate Warrant or Warrants shall be issued for each Fund and
each maturity date and all Warrants shall be dated as of the date of delivery thereof to the Bond
Bank. A separate Warrant or Warrants shall be issued for taxable temporary loan tax
anticipation borrowings in anticipation of estimated current tax revenues levied for the year 2007
and in the course of collection for such Funds in 2008 (including property tax replacement
revenues) and temporary loan revenue anticipation borrowings in anticipation of the receipt of
current state tuition support revenue for the General Fund estimated to be received on or before
December 31, 2008 (but after the last day of June 2008). Subject to the provisions of Indiana
Code 20-48-1-9 as in effect on the date of their respective issuance, the Issuer is authorized to
issue Warrants maturing and payable on or before December 31, 2008 in aggregate amounts not
to exceed the following for the respective identified funds:

General Fund [for Warrants issued in anticipation of the receipt of current state
tuition support revenue estimated to be received on or before December 31, 2008 (but
after the last day of June 2008)]: $2,258,869 maturing on December 31, 2008
General Fund [for Warrants issued in anticipation of the receipt of current tax revenues levied for the year 2007 and in the course of collection in 2008 (including property tax replacement revenues]): $13,001,821;

Transportation Fund [for Warrants issued in anticipation of the receipt of current tax revenues levied for the year 2007 and in the course of collection in 2008 (including property tax replacement revenues]): $1,802,454.

The Warrants shall bear interest prior to maturity at a rate or rates per annum not to exceed a maximum of 6.5%. The exact rate or rates are to be determined under the terms of a warrant purchase agreement between the Bond Bank and the Issuer to be entered into prior to the sale of the Warrants to the Bond Bank (the "Warrant Purchase Agreement"), in accordance with the provisions of Indiana Code 5-1-5. Interest shall be calculated on the basis of a 360-day year comprised of twelve 30-day months.

Notwithstanding any provision in this Resolution (or in the form of Warrant Purchase Agreement available to the Issuer as of the date of the adoption of this Resolution and incorporated by reference into this Resolution), conforming changes may be made by the Issuer's officers to the form of any Warrant and the Warrant Purchase Agreement prior to the issuance of Warrants to provide the due date of the Warrants, which may be June 30, 2008, December 31, 2008, or a date fixed by reference to the Issuer's receipt of its settlement of the funds in anticipation of which any Warrant is issued, or any combination thereof.

The Issuer is authorized to make payments of principal and interest on the Warrants by paying the amount due from funds that are available for immediate transfer or investment on or before 12:00 noon (Indianapolis time) on the due date to the corporate trust entity selected or determined by the Bond Bank to serve as the "trustee" under a Note Indenture (the "Trustee") through which notes are issued by the Bond Bank and the Warrants are purchased and pledged by the Bond Bank thereunder as designated by the Bond Bank. In the event that the principal of and interest on the Warrants are not paid in full on the Due Date (as defined in the Warrant Purchase Agreement and in each warrant), the total amount due and owing on such due date (equal to the unpaid principal and accrued interest thereon to such due date) shall thereafter bear interest at the per annum rate equal to the Reinvestment Rate (as defined in the Warrant Purchase Agreement) until paid. In addition, the Issuer shall be responsible for payment to the Bond Bank of its allocable portion of all fees and expenses attributable to a request for payment under any Credit Facility Agreement (as defined in the Warrant Purchase Agreement) resulting from a failure by the Issuer to pay in full the principal of and interest on the Warrants on their due date.

With the force and effect provided for in Indiana Code 5-1-5-9 and -10, the Qualified Entity hereby irrevocably pledges and appropriates the proceeds of the Warrants, or other legally available monies as are required to provide for the payment of all outstanding warrants (including interest thereon) with any maturity date on or before December 31, 2008 related to any Fund against which a Warrant is issued pursuant to this Resolution other than these warrants issued to the Bond Bank for its program related to its Advance Funding Program Notes, Series.

1315732
2008 ("AF Warrants") and Midyear Funding Program Notes, Series 2008 A (the "Prior MF Warrants"), and covenants to so apply the proceeds thereon on and as of the issuance of the Warrants to their payment unless the Bond Bank has consented in writing to such warrants remaining outstanding after the issuance of the Warrants.

Section 2. With respect to each Fund and each maturity, the officers of the Issuer are authorized to deliver a principal amount of the Warrants up to or less than the maximum amount established for any such Fund and maturity date in Section 1 hereof in order to comply with all applicable laws and any requirements of the Bond Bank. The Warrants will be delivered not later than September 10, 2008, or otherwise as appropriate and in accordance with the terms of the Warrant Purchase Agreement.

In the event that the Issuer anticipates incurring cash flow deficits prior to the issuance and sale of the Warrants to the Bond Bank, the Issuer is hereby authorized to issue and sell temporary interim warrants to the Bond Bank. The issuance and sale of the temporary interim warrants shall be on substantially the same terms as the issuance and sale of the Warrants to the Bond Bank, all as set forth in the Warrant Purchase Agreement. In the event that temporary interim warrants are issued, all or a portion of the proceeds of the Warrants may be used to repay the temporary interim warrants. Provisions of this Resolution relating to the issuance of Warrants shall also relate to the issuance of temporary interim warrants to the extent applicable. The Warrants may be issued in one or more series on one or more dates.

Section 3. The principal of and interest on the Warrants shall be payable from tax and/or state tuition support revenues to be received in the respective Fund upon which such Warrant is issued. Interest on the Warrants may also be payable from amounts, if any, available for that purpose in the Debt Service Fund. There is hereby appropriated and pledged to the payment of the Warrants issued with respect to each Fund, including interest and all necessary costs incurred in connection with the issuance and sale of the Warrants, a sufficient amount of the taxes, levied for 2007, and payable in 2008 (including property tax replacement revenues), or a sufficient amount of state tuition support revenue to be received in the General Fund on or before December 31, 2008 (but after the last day of June 2008), as the case may be, for such Fund and in anticipation of which the Warrants are issued, for the punctual payment of the principal of and interest on the Warrants evidencing such temporary loans, together with such issuance costs, if any, subject to the application of the tax revenues, and/or state tuition support revenue to be received in the General Fund on or before December 31, 2008 (but after the last day of June 2008), as the case may be, to be received in the respective Fund to any long term lease or debt obligations due contemporaneously with such Warrants and to the warrants, if any issued to the Bond Bank for its program related to its AF Warrants; provided that the appropriation of moneys to the repayment of Warrants shall not cause the Issuer to violate the provisions of Indiana law or any contract, grant or other agreement to which the Issuer is a party; provided further that as a condition to participation in the Program, the Issuer has represented, that upon issuance of the Warrants, it will have no warrants other than the Warrants issued pursuant to the Agreement remaining outstanding that are payable from taxes levied for 2007 and payable in 2008 other than the AF Warrants and the Prior MF Warrants, and the Warrants shall not in any respect be
subject to the prior payment of any outstanding warrants other than the AF Warrants, except that the Warrants are issued on a parity basis with the Prior MF Warrants. The Issuer reserves the right to pay interest on any Warrant from amounts, if any, available for that purpose in the Debt Service Fund. The Issuer consents to the assignment by the Bond Bank to the Trustee under the Indenture of all the Bond Bank's right, title and interest granted by the Issuer to the Bond Bank under the Warrant Purchase Agreement. The Issuer covenants and agrees that it shall, if it fails to make any payment required herein when due, promptly undertake all actions, including the issuance of warrants issued to refund the unpaid Warrants that: (i) are necessary to cure such nonpayment, (ii) are legally available to cure such nonpayment, and (iii) do not, in the opinion of bond counsel, cause any of the Warrants to be considered debt of the Issuer within the meaning of Article 13, Section 1 of the Indiana Constitution or laws of the State of Indiana.

Section 4. The Warrants issued hereunder with respect to the Fund shall be executed in the name of the Issuer by the manual or facsimile signature of the President of the Board of School Trustees, and attested by the Secretary of the Board of School Trustees, or such other officers of the Issuer as may be permitted by law, provided at least one of such signatures is manually affixed. All Warrants shall be payable in lawful money of the United States of America at the principal corporate trust office of the Trustee.

Section 5. The Warrants with respect to each Fund shall be issued in substantially the following form (with all blanks, changes, additions and deletions, including the appropriate amounts, dates and other information to be properly completed prior to the execution and delivery thereof, with bracketed language set out below recognized to be alternative language depending upon whether tax or revenue anticipation warrants are issued and upon any other circumstances that vary due the applicable maturity, fund, or other similar facts, all as conclusively evidenced by the signatures of the officers of the Issuer affixed thereon):

[End of Form of Warrant]

Section 6. The fiscal officer of the Issuer (the "Fiscal Officer") is hereby authorized and directed to have the Warrants prepared, and each of the executive officers of the Issuer, or such other officers as may be permitted by law, are hereby authorized and directed to execute the Warrants in the manner and substantially the form provided in this Resolution, as conclusively evidenced by their execution thereof.

Section 7. The Fiscal Officer, on behalf of the Issuer, is authorized to sell to the Bond Bank the Warrants. The Warrant Purchase Agreement shall set forth the definitive terms and conditions for such sale. Warrants sold to the Bond Bank shall be accompanied by all documentation required by the Bond Bank pursuant to the provisions of Indiana Code 5-1.5 and the Warrant Purchase Agreement, including without limitation, an approving opinion of Bingham McHale LLP, specially designated qualified obligation bond counsel for the Warrants under the terms set forth in such firm’s letter to the Issuer; certification and guarantee of signatures (or if permitted by the Bond Bank, such other evidence of the authenticity of signatures); and certification as to no litigation pending as of the date of delivery of the Warrants to the Bond Bank challenging the validity or issuance of the Warrants. The entry by the Issuer into the Warrant Purchase Agreement and the execution of the Warrant Purchase Agreement, on behalf of the Issuer by any of the executive officers of the Issuer, or such other officers as may be permitted by law, in accordance with this Resolution, are hereby authorized and approved.
Section 8. The proper officers of the Issuer are hereby authorized to deliver the Warrants to the Bond Bank, upon receipt from the Bond Bank of the payment or otherwise as appropriate and in accordance with the terms of the Warrant Purchase Agreement.

Section 9. Each of the executive officers of the Issuer (including, without limitation, any Authorized Official as defined in the Warrant Purchase Agreement), or such other officers as may be permitted by law are hereby authorized and directed to make such filings and requests, deliver such certifications, execute and deliver such documents and instruments, and otherwise take such actions as are necessary or appropriate to carry out the terms and conditions of this Resolution and the actions authorized hereby and thereby.

Section 10. Notwithstanding any other provision of this Resolution or any Warrant, in the event any determination has been made by any court of proper jurisdiction whereby a finding or ruling is made to the effect that, absent application of this provision, the aggregate amount of any Warrant (whether as to its principal or interest amounts or both) exceeds the maximum amount that is permitted to law to be issued and outstanding for the maturity date stated therein (such excess over any such limitation referred to as the "Excess Amount") and such would otherwise cause a Warrant to be invalid, then the form of the Warrant that was issued shall be deemed to be modified from that stated on its face in such a manner to first deem the Excess Amount to be a separate additional Warrant identical in terms to the original except that it shall have as its "due date" June 30, 2008 and its "principal sum" an amount equal to the maximum remaining permitted amount for all warrants with such a due date (a "Replacement Warrant"), provided, however, if an Excess Amount exceeds the principal amount of such a Replacement Warrant, then such remaining balance should be treated as a fee charged by the Bond Bank pursuant to Section 5.10 of its Warrant Purchase Agreement with the Qualified Entity and not treated as part of the principal sum of any Warrant or Replacement Warrant.

Section 11. This Resolution shall be in full force and effect from and after the time it has been adopted by the Fiscal Body. All resolutions and ordinances in conflict herewith are, to extent of such conflict, hereby repealed. For the benefit of the Bond Bank, the Fiscal Body hereby finds and determines that the adoption of this Resolution is intended to be, and for all purposes shall be deemed to be, a resolution authorizing the sale of obligations within the meaning of Indiana Code 5-1-14-13, and accordingly no action to contest the validity of any Warrants authorized herein, and hereafter issued, may be brought more than fifteen (15) days after the date set forth below.
