C. Declare School Bus as Surplus and Authorize Donation to the Boys & Girls Club

MCCSC Policy 7310, Disposition of Surplus Property, requires the Superintendent to review the property of the Corporation periodically and to dispose of that material and equipment which is no longer usable in accordance with the terms of the policy. The Boys & Girls Club of Bloomington has asked the school system to donate a retired bus to their program. A 66-passenger bus has been identified as one that will no longer be used. The bus is a 1998 Freightliner/Thomas, vehicle number 4UZ6CJAAOXC45722, bus number 106. It is recommended that the Board declare this bus as obsolete and approve donation to the Boys & Girls Club of Bloomington.
