SICK LEAVE BANK

A sick leave bank shall be established to relieve its members, who voluntarily choose to participate, from undue financial burdens due to absence from work because of illness, injury, or incapacitation sufficiently severe that it would make their presence in school inadvisable. The bank may be used only by the individual contributor for his/her own illness/disability. The purpose of the bank is not to provide compensation for extended disabilities. All members are urged to participate in the corporation approved disability and income protection plans and to utilize available salary schedule fringe benefits to offset plan costs. Guidelines for administration of the Sick Leave Bank shall be incorporated in the administration guidelines and bargaining agreement with teachers.
