FOR INFORMATION: Reduction of Transportation Costs for Strings Program

By reorganizing sites, transportation labor costs for the strings program shuttles will be reduced by approximately $5,014. This also reduces mileage costs by $10,115. This represents a 50% savings over the 2007-2008 school year. Approximately $30,000 was spent on strings program transportation in 2007-2008.
