FOR ACTION: Approve Revisions to Policy 5111

Recommendation

It is recommended that the Board approve revisions to Policy 5111 – Eligibility of Resident/Nonresident Students.

Background Information

At a regular meeting on November 5, 2008, the Board reviewed proposed changes to Policy 5111 – Eligibility of Resident/Nonresident Students. A review of this policy was prompted by the change in the way that schools are funded. Specifically, the issue of legal transfers and accepting cash tuition transfers came to the forefront with the change because if schools are eventually fully funded by the state, there would be no charge for students to transfer from one school system to another.

[NOTE: The process of bylaw and/or policy revision is delineated in Board Bylaw 0130.1, Functions. The Bylaw requires that in most circumstances policy changes be proposed at a previous meeting of the Board and then voted on in a subsequent meeting. The proposed changes remain on the agenda until they are either accepted or rejected.]
