FOR ACTION: Contracts

Recommendation

It is recommended that the Board approve the following contracts:

1) **State of Indiana Office of Energy and Defense Development Grant** – Agreement with Bloomington High School South for an Alternative Power and Energy grant. The grant application was submitted by BHS South teacher Cindy Kvale and approved for $8,000 to install a grid-tied photovoltaic (PV) system. The original impetus for this project comes from the BHSS Solar Racing Team, which has a keen interest in promoting public awareness of solar/electric systems. Details of the project are included in Exhibit A – Scope of Work (page 9).

2) **St. Charles Elementary School and Amy McGill** – Contract for tutoring services to be provided to students attending St. Charles Elementary School, October 8, 2008 – May 22, 2009.
