FOR ACTION: Create School Psychologist Intern, Set Terms and Conditions, and Authorize Filling the Position

Recommendation

It is recommended that the Board create the position of School Psychologist Intern, set terms and conditions of employment as noted below and authorize filling the position:

School Psychologist Intern
Effective Date: 2009-2010 School Year
Terms of Employment: 185 days
Salary: $10,000.00 plus mileage

Background Information

Board Policy 3111 – Creating A Position – states that the “School Board recognizes the need to establish positions which, when filled by competent, qualified professional staff members, will assist the Corporation in achieving the education goals set by the Board.” This policy further states that the “Board reserves the right to create new positions and provide each with a job description clearly descriptive of the duties for which the position was created and provide each with a title that conforms with the appropriate certification insofar as possible; specify the number of persons to be employed with each job category; and set the initial salary for a new position not currently covered by a valid salary schedule.” “The Board shall, upon the advice of the Superintendent, consider the advisability of creating a new position or of increasing the number of professional staff members in an existing position.” Board Policy 3120 – Employment of Professional Staff – is attached for additional information.

MCCSC has the opportunity to hire a doctoral level school psychology intern for the 2009-2010 school year. Because the school corporation is under a ‘corrective action’ mandate from the Indiana Department of Education regarding the completion rate for initial referrals, this intern will provide the help needed to complete those referrals as procedures are developed for the future. The needs to be addressed are described in the attached job description.

CREATING A POSITION

The School Board recognizes the need to establish positions which, when filled by competent, qualified professional staff members, will assist the Corporation in achieving the education goals set by the Board. The Corporation employs only U.S. citizens and others lawfully authorized to work in the United States.

The Superintendent shall verify all new full time and part-time employees’ right to work in the United States according to the Federal Immigration Reform and Control Act of 1986.

The Board reserves the right to:

A. create new positions, and provide each with a job description clearly descriptive of the duties for which the position was created, and provide each with a title that conforms with the appropriate certification insofar as possible;

B. specify the number of persons to be employed with each job category;

C. set the initial salary for a new position not currently covered by a valid salary schedule.

The Board shall, upon the advice of the Superintendent, consider the advisability of creating a new position or of increasing the number of professional staff members in an existing position.
