- In the United States 450,000 yellow school buses travel over 4 billion miles carrying 25 million children every school day.

- The National Highway Traffic Safety Administration (NHTSA) says that school buses are the safest vehicles on America's highways.

- School buses must comply with more Federal Motor Vehicle Safety Standards (FMVSS) than any other vehicle on the road.

- School bus drivers are highly trained professionals who are subject to random drug and alcohol testing and criminal background checks.

- MCCSC buses travel an estimated 9000 route miles per day and over 150,000 miles per year on extra curricular runs.

- Did you know there is a national shortage of school bus drivers?

- MCCSC Transportation was the recipient of School Bus Fleet's "Great Fleets Across America" Awards in 2000 and 2003.

- MCCSC school buses run on B-20 soy biodiesel which emits cleaner air for our children and community.
