

MONROE COUNTY COMMUNITY SCHOOL CORPORATION  
BOARD OF SCHOOL TRUSTEES  
Regular Meeting, May 19, 2009

FOR ACTION: Declare the Americure Paint Booth as Surplus Property and Authorize its Disposal.

RECOMMENDATION:

Declare the Americure Paint Booth as surplus property and authorize the Director of Career and Technical Education at Hoosier Hills Career Center to dispose of the paint booth.

BACKGROUND DATA:

The Americure Paint Booth is currently located at the Hoosier Hills Career Center in the Auto Body Program Lab. It was installed at the career center and placed in use in 1994. The paint booth has corrosion and wear due to the nature of its use. Due to the move of the Auto Body facilities to a new location as part of the building renovation it was viewed as being very difficult to maintain its operating integrity due to disassembly and reinstallation with the corrosion issues. A replacement booth has been planned for the renovated Auto Body Collision Repair and Service Program. There is no market value for the paint booth as it would be impossible to rebuild it from the disassembled materials. The paint booth will be disposed of in the most cost effective manner.
