FOR INFORMATION:  Use of School Facilities Guidelines (7510 AG)

Background Information

Revisions to Administrative Guidelines 7510 AG Use of School Facilities, have been made to clarify procedures and charges for the use of a variety of resources in the Monroe County Community School Corporation. There is no need to make changes to the policy at this time, a copy of which is attached.

Revised guidelines 7510 are attached with changes highlighted. Proposed rates and procedures were compared with a variety of other school corporations. These changes were made with input from the Board Policy Committee, the Superintendent and principals over an extended period of time. The guidelines should be reviewed in one calendar year to assess the effectiveness of these modified guidelines.
