RECEIVED  
MAY 19 2009  
SUPERVISOR

- In the United States 450,000 yellow school buses travel over 4 billion miles carrying 25 million children every school day.

- The National Highway Traffic Safety Administration (NHTSA) says that school buses are the safest vehicles on America's highways.

- School buses must comply with more Federal Motor Vehicle Safety Standards (FMVSS) than any other vehicle on the road.

- School bus drivers are highly trained professionals who are subject to random drug and alcohol testing and criminal background checks.

- MCCSC buses travel an estimated 9000 route miles per day and over 150,000 miles per year on extra curricular runs.

- Did you know there is a national shortage of school bus drivers?

- MCCSC Transportation was the recipient of School Bus Fleet's "Great Fleets Across America" Awards in 2000 and 2003.

- MCCSC school buses run on B-20 soy biodiesel which emits cleaner air for our children and community.

Subject: Contract Bus  
Route Extension

Please approve the following Contract bus route extension for Andrew Chandler, route #133, in accordance with IC 20-27-5-18.

The extension was a result of a road closure on Rockport Road from the PM route on April 20, 2009 through the A.M route on April 22, 2009, which caused the driver to alter his route.

Bus #133	
Miles per run	5.5
Number of runs	4
Rate per mile	\$3.11
Total miles	22 Miles
Total amount due	\$68.42
