At this time it is requested that out-of-date and surplus library books, videos and equipment be declared surplus property. The books, videos and equipment will be offered for sale or recycle as needed. The method used to dispose of the books at each school will be approved by the Principal. If the books are sold, the sales proceeds will be deposited into the school’s Library Book Account in the General Fund.

Jackson Creek Middle School requests permission to donate 259 library books to the Red Cross Book Sale or the MCPL Friends of the Library.
