D. **Declare as Surplus and Authorize Disposal of Out-of-Date Books**

MCCSC Policy 7310, Disposition of Surplus Property, requires the Superintendent to review the property of the Corporation periodically and to dispose of that material and equipment which is no longer usable in accordance with the terms of the policy. At this time it is requested that out-of-date and surplus library books, videos and equipment be declared surplus property. The books, videos and equipment will be offered for sale or recycle as needed. The method used to dispose of the books at each school will be approved by the Principal. If the books are sold, the sales proceeds will be deposited into the school’s Library Book Account in the General Fund.

Lakeview Elementary School requests permission to dispose of approximately 230 worn and outdated library books by donating them to the Red Cross.
