FOR ACTION: Award contract for practice soccer field upgrade at Bloomington High School South

Recommendation

It is recommended that Stanger Excavation be awarded a contract for \$41,650.00 to complete improvements at the Bloomington High School South practice soccer field. Stanger was low bidder at \$76,000.00. Irrigation and seeding were deleted from the project which lowered the cost to \$41,650.00. Irrigation and seeding will be self-performed by the MCCSC.

Background Data

The current practice soccer field will become a parking lot for employees at the new transportation building. The former practice football field in front of BHSS will be upgraded to become a practice soccer field.
