FOR DISCUSSION: First Reading: Proposed Revisions to Policy 8540 – Vending Machines

Background Information

Attached for first reading are proposed revisions to Policy 8540 – Vending Machines. Revisions to this policy originated from the Comprehensive Health Issues Committee (CHICs). Proposed additions are in **BOLD** type and proposed deletions are typed as strikeouts. The revised policy has been reviewed by the Discussion Council and by secondary principals and is presented at this meeting for Board first reading/discussion.

Also attached are Guidelines 8540 (Vending Machines) and 8500 – Food Services. Although guidelines are approved by the Superintendent, they are included for Board discussion and input.

The process of bylaw and/or policy revision is delineated in Board Bylaw 0130.1, Functions. The Bylaw requires that in most circumstances policy changes be proposed at a previous meeting of the Board and then voted on in a subsequent meeting. The proposed changes will remain on the agenda until they are either accepted or rejected.
