# Overnight or Out-Of-State Field Trip Approval Request

**School:** Grandview  
**Date Request Submitted:** 3/8/2010

**Individu(s) Requesting Trip:** Lily Albright w/ Denean Gillenwater (parent representative)

**Position:** Principal

**Class/Group:** 6th Grade

**Purpose of Trip:** To Attend Math/Science Day

**Date(s) of Trip:** 5/14/2010

**Time of Departure from Bloomington:** 7:00 a.m.  
**Time of Return to Bloomington:** 9:00 p.m.

**Trip Destination:** King’s Island (Near Cincinnati, OH)

**Transportation to be Used:** Bloomington Shuttle Charter Service

**Number of Students:** 57  
**Number of Adults (not including bus drivers):** 18  
**School Time Missed:** 6 hours

**Cost of Trip:** $5,500  
**Cost Per Student:** Maximum $20.00

**Funding Sources:** All Funds Raised by Parents (Grants and Contributions)

**Will the cost prevent any student from participating if s/he does not have money to go?** No

**Is this an overnight trip?** No

If YES, complete the following information for EACH NIGHT (continue on back if necessary):

**Name of Hotel:** NA  
**Address of Hotel:** NA

**Type of Accommodations (ex: # per room, adult/student ratio per room, etc.):** NA

**How will students be monitored by chaperon(s) at night?** NA

**Rationale for Trip:** This is the perfect opportunity for students to experience real world math/science applications. Inertia, friction & gravity are just a few forces the students will feel and calculate as they challenge the roller coasters. The Park becomes an experimental education laboratory where students connect abstract concepts with full immersion learning opportunities. This is also a day of celebration as the students graduate from Grandview Elementary.
