FOR ACTION: Contracts

Recommendation

It is recommended that the Board approve the following contracts:

(1) **Inter-State Studio** – Agreement with Childs Elementary School for 2010-2011 portraits.

(2) **Change Orders** – Listing of Change Orders (dated April 27, 2010) for building projects for the Administration Building, the Hoosier Hills Career Center and the Service and Transportation Building.

Following numerous discussions at Board work sessions, the following contracts are recommended to assist with important initiatives that have become necessary as a result of the revenue shortfall for the General Fund from the State of Indiana. These initiatives will enable MCCSC to properly evaluate programs, enrollment and develop the proper procedures and foundation for a referendum.

(3) **Springsted Incorporated** – Agreement to provide Referendum planning services.

(4) **Shanahan & Shanahan** – Referendum Counsel – Agreement to assist the school corporation in planning for and implementing the operating fund referendum.

(5) **Fanning/Howey Associates, Inc.** – Agreement to provide Demographic Study and GPS voter registration development.

(6) **MGT of America** – Facilitate School and Community Program Priority Development.

With the development of a PAC intended to fund a referendum initiative, we will develop a fund raising campaign that will secure funds to pay for the aforementioned contracts. The goal of the PAC is to raise at least $100,000 to pay the necessary expenses associated with the referendum initiative.
